

Your child has now been taught the following sounds in phonics. Please reinforce learning at home by cutting out the cards and using them in the following activities:

- Use the cards as recognition flashcards
- Make simple words for them to read by blending the sounds together (e.g. s-a-t, n-i-p, t-i-n)
- Ask your child to make simple words by saying the sounds in order and finding the corresponding cards (e.g. sit, pan, pat)

**PLEASE DO NOT HESITATE TO ASK IF YOU WOULD LIKE FURTHER EXPLANATION OF THESE ACTIVITIES**
